

**Title: GIS ANALYST**

**Regular or Seasonal:** Regular

**Full-time or Part-time:** Full time

**Position is located at the Washington DC Office of Bureau of Land Management.**

**Position Overview:** Coordinate and implement data analysis and mapping for the Seeds of Success National Collection and the BLM Plant Conservation and Restoration Program.

**Responsibilities:**

1. Work with SOS National Curator to assist with data management related to the National Collection. Verify and georeference the information that is currently in the SOS database (i.e. ensuring that the coordinates, state, county, ecoregion, land owner and locational details concur).
2. Provide analyses on the National Collection, using GIS, in order to strategically add taxa and populations for collection.
3. Provide quality control on data submission from field collectors. Create and maintain GIS Story maps on SOS accomplishments to include on SOS website.
4. Teach classes and provide lectures in support of native seed banking.

**Key Cooperative Relationships:** Botanic Garden and BLM Washington Office staff; SOS cooperators; CLM interns and technicians for SOS; federal, state and regional land managers; conservation, stewardship and restoration groups.

**Qualifications:** Bachelor's degree in ecology, botany, biology or equivalent with appropriate experience; Master's degree or GIS certification preferred. Knowledge of plants, especially seed collection methods. GIS experience. Data management, teaching and project management experience, good organizational skills. Desire to work with volunteers and interns. Occasional outdoor and weekend work may be involved, valid driver's license required.

*We are an Equal Opportunity Employer and do not discriminate against any employee or applicant for employment because of race, color, sex, age, national origin, religion, sexual orientation, gender identity, status as a veteran, and basis of disability or any other federal, state or local protected class.*

*In accordance with Title IX of the Education Amendments Act of 1972, Chicago Botanic Garden does not discriminate on the basis of sex in its programs or activities, including in employment or admissions. Please call (847) 835-8264 to contact our Title IX Coordinator should you have questions or concerns.*
