Please share any other web-based communications such as blogs or social media such as Facebook, Twitter, Instagram.

1. Please indicate application category:

Institution:

Participating Institution ; Collaborating Partner ; or Network Partner

Individual:

Plant Conservation Professional Partner ; Emerging Professional Partner ; or Student

If applying as an Institution,

2 A) Check all that apply to your institution's conservation actions:

- | | |
|--|---|
| <input type="checkbox"/> Hold ex situ collections of rare plant taxa | <input type="checkbox"/> Have mission with conservation focus |
| <input type="checkbox"/> Conduct research on rare plants | <input type="checkbox"/> Make conservation collections |
| <input type="checkbox"/> Have rare plants on display | <input type="checkbox"/> Maintain accession database |
| <input type="checkbox"/> Have seed bank | <input type="checkbox"/> Follow best conservation practices |
| <input type="checkbox"/> Have tissue culture facility | <input type="checkbox"/> Provide public education on plants |
| <input type="checkbox"/> Have crypreservation facility | <input type="checkbox"/> Have 501(c)(3) status |
| <input type="checkbox"/> Have experience with restoration | <input type="checkbox"/> Serve as Headquarters for a Network |

2 B) Please provide a summary of your institution's mission, vision, and values statement. This helps us determine the overall fit of your organization with CPC.

2 C) Tell us about your organization's commitment to conservation. Provide us details about staff and facilities that support conservation and the programs and projects you are doing to Save Plants.

2 D) Describe your collections (especially note any rare and endangered plants in your collection).

2 E) How does your organization keep records of collections? Please indicate agencies or organizations with whom you share this information.

2 F) What are your future aspirations? As a member of CPC, how will you contribute to helping us with our mission to: *Safeguard and conserve imperiled native plants by advancing science-based practices, connecting and empowering plant conservationists, and inspiring people to protect biodiversity for future generations?*

3 A) **If applying as an Individual**, check all that apply:

Professional in conservation for how long? _____

Full-time student for how long? _____

Conducted research on rare plants or conservation topics relevant to plants

Made conservation collections

Maintained records on plants

Shared conservation data with partners

Published on rare plants

Followed best conservation practices

Have experience with:

seed banking

genetic studies

pollination

crypreservation

horticulture

tissue culture

monitoring

demography

plant reintroduction

modeling

taxonomy

policy/ advocacy

3 B) Why are you interested in joining the Center for Plant Conservation?

3 C) Describe one experience you have had with plant conservation.

3 D) In what ways do you feel that you can help CPC's mission to: *Safeguard and conserve imperiled native plants by advancing science-based practices, connecting and empowering plant conservationists, and inspiring people to protect biodiversity for future generations*

3 E) What are your future aspirations?
